### January 2021 Intake Ongoing

MUA is giving a **20% discount** on tuition fees on all KIM Alumni joining Undergraduate and Masters Programmes on its January 2021 Intake.

A record high number of KUCCPS have reported for the ongoing January 2021 intake in a year that has seen our new reality of living in the Covid-19 era.

Measures have been put in place to ensure safety of students and staff in the university premises. We have a no mask no service policy, handwashing point have been installed at several points with plenty of soap and water, sanitizers and the 1.5 Meter rule has been implemented.

We are thus expecting more numbers as the close for admission approaches.

### Executive Capacity Development Programmes (ECDP)

MUA delivers training programmes through open courses, attracting participants from different organizations and in-house programmes tailor-made to meet specific needs of an organization; thus, draw delegates from an organization.

Basing our facilitation on the following four major principles, the University endeavors to give its best in training.

1. Learning is experiential
2. Learning fulfills an immediate need and is highly participatory
3. Time is allowed for reflection and corrective feedback
4. Practicing skills learned improve retention and leads to mastery

Using a number of techniques to achieve effective learning, MUA's approach on the delivery of its training ensures participants learn in a free, relaxed environment contributing to their effective thought-processes and discussions. These techniques include group discussions and presentations, short lectures, activity-based learning, case studies, videos, management games among others.
