Enabling Futures, Impacting Progress

Introduction:

The Management University of Africa (MUA) 'E-Bulletin' is an electronic fortnight newsletter recognized by MUA management as the official internal communication bulletin on matters relating to staff and student welfare, institutional events and any work-related information.

The newsletter contains articles and information from the entire MUA fraternity and everyone is encouraged to regularly forward information to the Editor for publication.

This issue focuses on:

1. Customer Service responsibility
2. Library Open week
3. Student Council Elections
4. CUE Training
5. Good Luck in your Exams, MUA Students!!

Corporate Social Responsibility

The change of environment under which businesses operate has brought out a realization that profits as a sole reason for existence can no longer hold water.

Institutions exist in a symbiotic relationship with their environments thus the need for social responsibility.

As part of its efforts to enhance the universities visibility, Management University of Africa staff through Quality Assurance and Corporate affairs department organized a Visit to Imani children's home in Kayole.

The initiative was supported by the entire MUA fraternity through donations both in cash and in kind.

Here are some of the photos from the visit;
